Dear Ms. Roy,

We would like to express our highest appreciation for your excellent job at selling our lot. As you know, we had less luck with an agent who was apparently not as specialized on land sales as you were. After you took over the task, a buyer was identified in a very short period of time and the sale was executed without difficulty or delay.

In addition to your impressive people skills and knowledge of the market, we were mostly amazed by your follow up after the sale when minor issues needed to be solved. No task was too small for you to make sure that everyone in the transaction was satisfied.

Please feel free to use our name and contact information for future reference: we wholeheartedly recommend you to all those who might be interested in buying / selling real estate in the area. We know that there is no better expert to get the job done.

Warmest regards,

Jane and Laszlo H
Great Falls, VA
